BOOK OF THE
FAMILY AND LINEAL DESCENDANTS

OF

MEDAD BUTLER,

Late of Stuyvesant, Columbia County, N. Y.

COMPILED BY

WILLIAM ALLEN BUTLER

to October 29, 1887,

AND CONTINUED BY

WILLARD PARKER BUTLER

to October 29, 1915.

"That ye may tell it to the generation following."—PS. XLVIII, 13.

In preparing this book, I have followed as nearly as I could the plan adopted by my uncle as well as the typographical appearance of the earlier book. In the original edition was placed a printed slip which read as follows :

"The record is brought down to Oct. 29, 1887, and is believed to be complete to that day, except as to two dates (page 28) which it has been impossible to obtain with accuracy. Additions can easily be made either on the blank spaces of the pages or by interleaving.

W. A. B."

I have corrected one or two errors discovered in the original edition, particularly, the delightful myth concerning the origin of Jonathan Butler, which as a result of the genealogical researches of my cousin, the late Miss Harriet Allen Butler, has unfortunately been exploded. I hope that the present edition is complete to October 29, 1915. It will not be my fault if it is not. My thanks are due to *nearly all* my adult relations for their kind cooperation, but particularly to my cousins, Mrs. William Windsor and Miss Elizabeth Patterson Harris, whose assistance has been a great help to me.

EXPLANATORY NOTE.

The Roman numerals I., II., &c., indicate the children of MEDAD BUTLER, in the order of their birth. The capital letters, A, B, &c., indicate the children of the second generation, in like order. The double capitals, AB, BC, &c., the children of the third generation, in like order; and the triple capitals, ABC, BDE, &c., the children of the fourth generation, in like order. Thus, IACD denotes that the descendant whose name follows is the fourth child of the third child of the first child of MEDAD BUTLER. (See page 11.)
